The Allison Park Sportsmen's Club, a local sportsmen's group, is requesting donations for our two annual youth events. These events are held to promote the outdoors, conservation and fishing to today's young people 12 years of age and under. We also hold an annual Pine Creek clean-up.

The first event is on the first day of trout season, April 6th. It's held at Fawcett Fields Park in Shaler Township on Little Pine Creek. Last year we had a great crowd.

The second event is a Pine Creek Clean-up on April 13th starting at Best Feeds on Wildwood Road to Burger King on RT8, covering approximately twelve miles.

The third event is the Dan Wagner Memorial Kids' Fishing Day held on May 4th at Rochester Grove in North Park. There are prizes for all participating kids and lunch for all in attendance. Last year's event had 70 registered kids, and we've had as many as 150 at past events.

Any donation to help support these events would be greatly appreciated. Thank You for your support with promoting the outdoors to the fishermen and conservationists of tomorrow.

Sincerely,

Gary Franceschina
Allison Park Sportsmen's Club Secretary
